

dermalogica®

for achieving healthy skin

face mapping analysis

A professional, in-depth skin analysis based on your skin and lifestyle. We'll show you how to achieve your healthiest skin, address any concerns and give you customized product and treatment recommendations.

proskin 30

A 30-minute, customized treatment that targets your top skin concern. Perfect for monthly skin care maintenance and boosting your at-home skin care routine.

\$95

proskin 60

A 60 minute, customized treatment that targets several skin concerns. Perfect for maintaining your skin health and getting the full Dermalogica treatment experience.

\$175

for boosting your skin treatment

pro power peel

Powerful customized peel smooths skin while targeting signs of acne, hyperpigmentation, or premature skin aging.

+\$35

microdermabrasion

Mechanical exfoliant to treat light scarring, skin discoloration, and sun damaged skin.

+\$35

hydradermabrasion

Deeply cleanses and hydrates the skin through super serums filled with antioxidants, peptides, and hyaluronic acid.

+\$35

LED therapy

Therapeutic light applied directly to the skin to reduce fine lines and wrinkles or treat mild to moderate acne.

+\$35

microcurrent contour

Non-invasive technology to lift, firm, and hydrate the skin.

+\$35

oxygen treatment

Pure oxygen infusion helps to reduce fine lines and wrinkles while increasing collagen production.

+\$35

pro firm neck

A comprehensive workout for your neck and face. This unique treatment combines firming toning and deep tissue facial massage with retexurizing and replenishing products for smooth skin.

+\$35

pro eye flash

Pro Eye Flash is a powerful treatment that helps tone, smooth and brighten the contour through intense stimulation and an infusion of botanical actives.

+\$35

microneedling nano

Not as intense as the ProMicroNeedling Treatment, this one you do not need numbing cream. However the MicroNeedling Nano is an effective treatment to firm, smooth and tighten skin.

+\$75

specialty skin treatment

pro microneedling

An exceptional effective treatment to firm, smooth and tighten skin. It helps to reduce the appearance of wrinkles, scars, and post acne marks while promoting even skin tone and improving the overall texture of the skin.

\$350

digital detox

Completely disconnect - relaxing skin treatment that includes professional exfoliation, serums, face and neck massage plus scalp and feet massage. A different, more relaxing skin treatment than the ProSkin Treatment. (No extractions or technology). Give yourself a break from your technology devices and disconnect.

\$150

back treatment

Deep cleansing and purifying treatment that helps clear away breakouts on the back and reveal smooth, clear skin.

\$95

body + massage

body treatment

Includes body brushing, customized exfoliation, customized body wrap and body moisturizer.

\$175
